

# Back on Track professionals advice hotline

**Wednesdays 10am - 4pm | 07712 528493**

Are you a professional working with parents and families in Brighton & Hove?

Are you concerned a parent you're working with may be drinking to much?

Are you worried this could increase in the Covid-19 crisis?

Do you want some help or advice on how to start a conversation about drinking?

Do you want to know what other support is available?

Our Family Practitioner is available for  
professional consultation every Wednesday  
10am - 4pm
