Interviews (in-person) Wednesday 26th November 2025

Are you **flexible, adaptable, and open-minded** about different lifestyles?

Can you offer **compassionate support** to women facing challenges with substance use?

Would you thrive in a **dedicated and supportive** team environment?

If you answered yes, we'd love to hear from you.

We're looking for a Family Practitioner to provide individual and group-based support to women seeking support with drug or alcohol use, helping them make positive choices and take meaningful steps toward recovery. You may be the first person a client feels safe enough to open up to.

Your empathy, understanding, and non-judgmental approach will be key in helping them feel heard and empowered to set and achieve personal goals.

For over 27 years Oasis Project has been delivering services for women, children and families affected by substance use. We are an award-winning, trauma-informed organisation, aiming to empower those affected by substance use to make choices that lead to change. Join us and be part of a team that truly makes a difference.

You will have:

- Proven experience in health and social care setting and/or social work qualification / nursing RMN RGN, NVQ level 3 in health and social care.
- Proven track record of working within the drug and alcohol issues sector and managing a complex caseload.
- Substantial experience of delivering evidence-based family focused services and working with vulnerable families.
- Experience of working collaboratively in a multi-disciplinary team and participating in multi-agency relationship building and working.
- Experience of building relationships with parents and families even at times of difficulty or challenge.
- Understanding of the current issues related to drug and alcohol issues, in particular for women and families experiencing problems.
- Knowledge and experience of safeguarding and vulnerable adults legislation and processes.
- Experience in developing strategies to engage hard to reach families.

"I don't know what I would have done without Oasis Project. You have helped me recover slowly from everything that's happened in my life to get to where I need to be right now"

Oasis Project offers a supportive, friendly team that serves the communities we live in.

We provide a host of other benefits too!

- 28 days holiday plus bank holidays. Additional days off on your birthday, December shopping
- Eligibility for the NHS blue light discount card
- Wellbeing hour once a month.
- Employer pension contribution (3%)
- Hybrid working
- Clinical supervision, reflective practice for client facing roles
- Free advice and counselling service
- 24/7 access to GP services, telephone, and video consultations.
- Life insurance scheme
- Learning and development opportunities.
- Flexible, family friendly working practices
- Staff socials
- Relaxed dress code.
- Complimentary refreshments, teas and coffees.
